

Week 1 spelling due - 22nd May Week 2 grid due - 29th May

Instructions Students have activities to complete over a period of a fortnight. These are explained in each box below. Some activities are practising core subjects, while others may promote living skills or research activities. The student summarises in each section how they completed each activity eg. Physical Activity - I walked my dog....or tick the completed box. On the Friday of the first week of the grid, the spelling practice is the only activity that must be returned. This is so the next week's spelling can be entered. On the second Friday all of the activities must be returned.

Grid

<p><u>Spelling</u> Practise your spelling list each night. Remember to look at the word then cover it and write it without looking unless you need help. Then check you are right. If you made a mistake try again.</p> <p style="text-align: center;"><input type="checkbox"/></p>	<p><u>Maths</u> Before it gets too cold get outside and collect some sticks. Collect 9 of around the same size (only small twigs) and have a go at this challenge: How many triangles is it possible to make using 9 sticks? Take photos of your triangles or draw your creations.</p> <p style="text-align: center;"><input type="checkbox"/></p>	<p><u>Reading</u> Keep on reading for our 'Read More in May' Scholastic reading challenge. Student's are encouraged to read for at least 10 minutes everyday in May and have their reading log signed off each day. All completed logs will go into a draw to win a \$250 Scholastic voucher (in the Scholastic competition) and 2 x Mogo Zoo passes (in our Broulee Public School competition). We're half way through, keep up the good work!</p> <p style="text-align: center;"><input type="checkbox"/></p>	<p><u>NSW Premier Sporting Challenge</u> We're going for Gold! Broulee Public School is participating in The NSW Premier's Primary School Sport Challenge which aims to engage young people in sport and physical activity and encourages them to lead healthy, active lifestyles. We're aiming for Gold which means student's need to record 60 mins of physical activity each day. Most of which we do at school but if you do extra at home (I hope you do), record it so we can add it to our class total and your individual record. You get a Gold Certificate at completion.</p> <p style="text-align: center;"><input type="checkbox"/></p>
---	--	---	---

Extension - these further activities are optional.

<p><u>Literacy</u> Use as many of your spelling words from this week in just one sentence. Remember: it can be silly but it needs to make sense! Illustrate it if you can.</p> <p style="text-align: center;"><input type="checkbox"/></p>	<p><u>Game time - Hopscotch</u> Play hopscotch but write the days of the week or months of the year on grid instead of numbers. Make sure your spelling is correct (don't forget capital letters!)</p> <p style="text-align: center;"><input type="checkbox"/></p>
