

Week 1 spelling due – 5th June Week 2 grid due – 12th June

Instructions Students have activities to complete over a period of a fortnight. These are explained in each box below. Some activities are practising core subjects, while others may promote living skills or research activities. The student summarises in each section how they completed each activity eg. Physical Activity – I walked my dog....or tick the completed box. On the Friday of the first week of the grid, the spelling practice is the only activity that must be returned. This is so the next week's spelling can be entered. On the second Friday all of the activities must be returned.

## Grid

<u>Spelling</u>	<u>Maths</u>	<u>Reading</u>	<u>NSW Premier Sporting Challenge</u>
<p>Practise your spelling list each night. Remember to look at the word then cover it and write it without looking unless you need help. Then check you are right. If you made a mistake try again.</p>	<p>Log on to <a href="http://studyladder.com">studyladder.com</a>, go to 'Homework Term 2 weeks 7 &amp; 8' and have a go at some of the revision questions. Your username and password are in your Homework folder/book.. (See your teacher if you do not have internet access at home.)</p>	<p>Although the 'Read More in May' challenge is over, we can still keep reading! Why not try a trickier book? Read it aloud to an adult and if your not sure of a word simply ask! Write down any words you get stuck on, you can share these words with the class so we can all learn.</p>	<p>Continue with your fitness goals – reaching Gold in The NSW Premier's Primary School Sport Challenge. We're aiming to record 60 mins of physical activity each day. Most of which we do at school but if you do extra at home (I hope you do), record it so we can add it to our class total and your individual record. You will get a Gold Certificate upon completion.</p>
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Extension – these further activities are optional.

<p><u>Maths</u> 3D objects are everywhere! Can you find 3 different ones around your home? Draw and label them with what the object and 3D shape is.</p>	<p><u>Game On</u> The cooler afternoons are looming so why not snuggle up with your family for a games night? Choose a board game like Scrabble, Monopoly, Cluedo or any other of your choice. Write here what you played:</p>
