

Week 1 spelling due - 24th July Week 2 grid due - 31st July

Instructions Students have 5 activities to complete over a period of a fortnight. These are explained in each box below. Some activities are practising core subjects, while others may promote living skills or research activities. The student summarises in each section how they completed each activity eg. Physical Activity- I walked my dog....or tick the completed box. On the Friday of the first week of the grid, the spelling practice is the only activity that must be returned. This is so the next week's spelling can be entered. On the second Friday all of the activities must be returned (this fortnight it is the Thursday). In the reading section parents can initial when their child has read for 10 minutes each night.

Reading - read for 10 minutes each night. This can be a book of your own choosing or a school reader. Your parent can sign the box below for each completed night.
