

Week 1 spelling due - 16th October Week 2 grid due - 23rd October

**Instructions:** Students have 5 activities to complete over a period of a fortnight. These are explained in each box below. Some activities are practising core subjects, while others may promote living skills or research activities. The student summarises in each section how they completed each activity eg. Physical Activity- I walked my dog....or tick the completed box. On the Friday of the first week of the grid, the spelling practice is the only activity that must be returned . This is so the next week's spelling can be entered. On the second Friday all of the activities must be returned. In the reading section parents can initial when their child has read for 10 minutes each night.

<b>Reading</b> - read for 10 minutes each night. This can be a book of your own choosing or a school reader. Your parent can sign the box below for each completed night.

<p><b><u>Spelling</u></b> Practise your spelling list each night. Remember to look at the word then cover it and write it without looking unless you need help. Then check you are right.
